

1) Some words in English don't have plural form, are treated as singular only. Other words change a lot from singular to plural. Watch this [video](#) and correct the following sentences, rewriting them. If they're correct, just write CORRECT next to them.

- a) Many childrens are waiting at the bus stop. _____
- b) One persons in that group of peoples needs to go. _____
- c) The dentist said my teeth are okay. _____
- d) Somebody helps her! _____
- e) Someone are calling my mom. _____
- f) That women called you. _____
- g) Those women called you _____
- h) Let me give you some advice _____
- i) I have two fishes, a turtle and a dog as pets _____
- j) Many deer crossed the road at the same time _____

2) Watch the video clip from the movie "Zootopia" [here](#). The movie is divided into four parts: first, watch the clip without captions. Then, the second part is presented - in this part, you can read the captions. The third part repeats every line twice with captions. Finally, the last part shows the same scene with captions off. Practice listening and pronouncing with the second and third parts and watch the video without captions. Perceive the difference in your listening.
