

- 1) Getting around: Asking directions in English are important, specially because there are different ways of asking - and answering - how to get somewhere. The following [video](#) tells some ways to ask and give directions. Then, match the phrases below on the left to their synonyms on the right.

1. go ahead, straight ahead	Take the road on the right ()
2. turn right at the traffic lights	Keep going 'til you hit the intersection at Main ()
3. Continue going straight ahead until you reach Main Street	You'll know it, it'll be the one on the left with the green sign ()
4. Then it is the building on the left	Follow this street ()
	Hang a right at the intersection ()
	Continue on 'til you get to Main, which is the one with the bank on the corner ()
