

In 2086, two peaceful aliens journeyed to Earth, seeking our help.

In return they gave us the plans for our first hyperdrive, allowing mankind to open the doors to the stars.

We have assembled a team of unique individuals to protect Earth and our allies.

Courageous pioneers, committed to the highest ideals of justice and dedicated to preserving the law and order across the new frontier.

These are the Adventures of The Galaxy Rangers

**Question:**

**Is life possible out of the Earth? Do you really believe that we are alone What's your opinion? Write about that...**
