

**First Audio:**

*Let's try to describe things around us?!?!*

*For example, in my case I'm in the bedroom, so...*

*There is a double bed, there is a wardrobe, there isn't a tv, but there are many books on my desk.*

*Now, it's your turn...Describe things around you...*

**Second Audio:**

*Answering the questions like the example:*

*A) How many people live in your house?*

*There are four people living with me: my mother, my father, my sister and my brother.*

*B) How many bedrooms are there in your house? And, how many bathrooms?*

*There are three bedrooms and two bathrooms in my house.*

*C) Is there a swimming pool in your house?*

*No, there isn't a swimming pool in my house.*

*Now, it's your turn...*

**Third Audio:**

*Now, let's describe a place that you like very much near your house!*

*For example, near my house there is a square that I like a lot, because there are many trees and flowers there, and there are benches to sit on, and also, there are many dogs strolling there, so I can say hello to them!*

*Ok, so now it's your turn! Describe a place near your house. Try to think about it and describe it! Give details about this place.*
